

Appointments

Appointments with Columbus Pain Center are made either by referral from your primary care physician or by self-referral based on the requirements of your primary insurance carrier. When making a self-referral appointment, please have your current insurance card, social security number and basic demographic information available for the office staff. If your primary insurance carrier requires a referral from your primary care physician, please schedule your appointment through your primary care physician.

When you come to your first appointment with our office, you need to bring your insurance card(s), picture identification (such as driver's license) and any necessary referrals. Please check with our office staff prior to your appointment to make sure all necessary information and paperwork has been received.

Patients are seen by appointment only. Our office hours are:

Monday – Friday 8:00 am – 12:00 pm and 2:00 pm – 5:00 pm
